PRAISE AND MINISTRY
REPORT SERVICE
SUNDAY, APRIL 22 @ 6PM

Pastor Mike's Moment . . .

Thank you for coming to church with us today at Bellview! We have been praying and preparing all week to teach and to preach the Word of God and to fellowship with the people here today. It's great to see you in our midst for this time of study and worship... let's seek the Lord together today!

We always enjoy our Connection Luncheon for NEW and for PROSPECTIVE members of Bellview... we meet today right after the morning service in the Fellowship Hall. If you have not yet become a member of our church and you are considering this, why not join us for a time of fellowship, food, and information provided by our church staff and me? If you have come into our church as a new member since our last luncheon, plan to join us as well today!

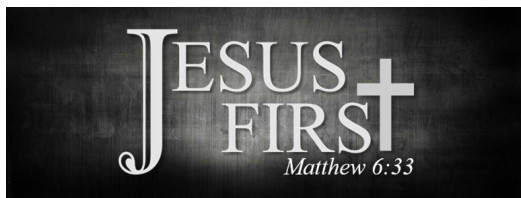

Tonight we will share in our Quarterly Praise & Ministry Report time about several items for business. We always hear good reports of God's work through our ministries. And we enjoy a time of worship through music as well. Each member of our church should be present in these quarterly meetings to be updated on our church and its work... see you tonight!

Please pray for our Door Openers and me as we travel tomorrow to the Jubilee conference in Branson, Missouri. This special meeting always features great preaching, singing, laughter and fellowship. Our Bellview group will be blessed to join around 3,000 other believers in worshipping and praising the Lord... pray for our safe return on Wednesday evening.

These are unique days of ministry in God's kingdom. Never before have we faced the challenges in our culture that we face right now. BUT... never before has any society so needed the Gospel of Jesus Christ! As we seek to be available and to help others each day, let us be faithful to sow Gospel seeds all around us so that one day we can see a great harvest of souls. Join me in this glorious work today and this week as we attempt great things for God and expect great things from God.

I'm so glad you came to church with us today... I trust that our God will meet your need as we worship Him and listen to His Word. Thanks for coming... I love you.

—Pastor Mike
