A Message from Pastor Mike

Summer's heat is beating down upon this Heartland region! We were all moaning & groaning about the cool or cold & rainy late winter weather.... We longed for summer & warmer conditions. NOW LOOK AT US! Are we ever satisfied? Do we really like warmer weather? Any way you slice it... I trust you are enjoying this summer of God's blessings!

The Lord allowed me to experience an unbelievable start to the summer by traveling on mission to Ethiopia for crusade evangelism! As I spent a week there with our Evangelist friend Don Whitt and our team, we saw over 115,000 precious souls lift a hand indicating they prayed to receive Jesus Christ as personal Lord and Savior... amazing but true! My life has been so greatly impacted and blessed by this fabulous time. Please plan to be with us at Bellview on Sunday night, July 8, at 6:00 pm as I share in word and by pictures this incredible event.

Our July opportunities for ministry are upon us! We will enjoy our God & Country Day celebration on July 1 at 10 am, followed by our Patriotic Picnic that evening at 6:00 pm. Our Summer Mission Team will minister with a new church start in Columbus, Ohio from July 14-21. Our young people will be involved in an overnight trip on July 27 and our Music Ministry will host a "Night of Praise" on July 29. These things are in addition to our regular Sunday and Wednesday schedules! Please find an opportunity and participate with us.

One sneak preview I'll give to you right now occurs in August. We will be hosting once again our "AWESOME AUGUST NIGHTS" each Sunday night that month... this will be a time when we'll have great worship/revival music and a different Gospel preacher each week. Be watching for the schedule of preachers, and mark your calendar for this unique series of Sunday night services!

We continue to see the baptismal waters stirred, guests in each worship service, and people joining our church family to serve the Lord. This blesses my heart! Let's continue to pray for God's touch on this ministry and His anointing Spirit to lead us in each ministry endeavor. Thank you for praying and for being a part of God's work at Bellview. Let's keep on keeping on for Jesus.... I love you.

-Pastor Mike

This month is another busy month here at Bellview Baptist Church! I am excited to be able to share that the choir is presenting "Night Of Praise" on Sunday, July 29th at 6pm! This will be a time of worship, praise and testimonies! We will have the children's choir, youth and our Adult Choir during this special time of worship!

Let me share a word about Bible Class. All of our classes we have are geared towards each age group that represents Bellview! If you are not involved in a small group... let me encourage you to find a class that helps you through this thing we call "life". If you will check out our connection board in the welcome area you can find where all of our classes are and who the teachers are! "Set your affection on things above, not in things on the earth"-Colossians 3:2

Student Ministry

As an American I am truly grateful and humbled to get to live in the best country on Earth. The freedoms we have didn't come without a high cost to some individuals, as well as, their families. Some of these brave men and women gave the ultimate sacrifice so that we have the freedoms we do and get to enjoy daily. I don't ever want to take anything away from them, but how much more does our Heavenly Father love us? In John 10:10 we see a small portion of that in the second half of that verse "I have come that they may have life, and that they may have it more abundantly." Jesus gave the ultimate sacrifice so that we may have not only life, but EVERLASTING LIFE!!!!

During our week at camp we saw students from other churches, come to know Jesus Christ as their personal Lord and Savior. We also experienced God calling some students into some type of ministry, some dealing with forgiveness, and some making a commitment to becoming more obedient to God. As always, Brother Ronnie Coleman brought some power packed messages that really hit home with a lot of students. I want to thank you as a church for your willingness to give and send some students to Summer Camp. Without your willingness and commitment things like these would practically be impossible. THANK YOU!!!

We are right in the middle of summer break for students which means there are still days left to make an impact not only towards our church family but also within our community. Be on the lookout through the Bulletin, Facebook, and verbal announcement at some of the events that are coming out this summer. I promise you that you don't want to miss it!! Please pray for our Mission Team as they are preparing and heading out to Ohio. They are excited and eager and I can't wait to hear what God has/ is doing there.
